80,000 pages / month

CATEGORY

Mono Laser Printer

Overview

The Printmark PMS4031DN is a high-performance A4 monochrome single-function laser printer engineered for demanding business and departmental printing environments. Delivering up to 40 PPM, rapid first-page output, automatic duplex printing, Gigabit Ethernet connectivity, expandable paper capacity, and a high monthly duty cycle of up to 80,000 pages. The PMS4031DN is equipped with Gigabit Ethernet (10/100/1000) and USB 2.0 Type B connectivity, providing reliable high-speed wired integration into professional office networks with enhanced network security through IPsec and 802.1x support.

Key Highlights

- 40 PPM with 5.9-second first page out
- 80,000-page monthly duty cycle
- 40,000-page imaging unit
- Gigabit Ethernet (10/100/1000) connectivity
- Optional 550-sheet additional tray
