Mono Laser Printer

Overview

The Printmark PMS2031DW is a high-performance A4 monochrome single-function laser printer offering 802.11b/g/n wireless connectivity, USB and Ethernet options, making it a flexible choice for small offices, home offices and departmental desks. With print speeds of up to 34 PPM and a rated duty cycle of 55,000 pages per month, the PMS2031DW is engineered to keep pace with day-to-day business printing while keeping operating costs low through separate drum and toner technology.

Key Highlights

- 34 PPM high-speed monochrome printing
- 802.11b/g/n wireless connectivity
- Separate drum & toner for lower running costs
- Compact footprint for desks & small offices
- BIS, RoHS, CE, BEE, NABL Approved
